**Western North Carolina Transportation Alliance  
Charter Member Survey**

**Participating Company:**

For inclusion in the WNCTA Directory - please complete and return the following survey

Survey Contact:

**1** Indicate the type of freight that the company ships. Please check all that apply.

Inbound  
 Outbound

**2** Indicate the percentage of freight that the company ships. Please estimate percentage.

Inbound  
 Outbound

**3** Indicate the mode of transport that is the majority of freight shipments. Please check all that apply.

Ocean Container  
 Truckload (Container)  
 Truckload (Flatbed)  
 Less-Than-Truckload

**4** Indicate the region that represents the majority of freight shipments. Please check all that apply.

Northeast US  
 Southeast US  
 Mid-west US  
 Canada  
 Mexico

**5** Are you willing to provide an outline of the lanes of freight for your company to share?

Yes  
 No

**6** Would you want to be included in a WNC Transportation Alliance Directory?

Yes  
 No

**7** Are you willing to provide a contact to other shippers to optimize backhaul between companies?

Yes  
 No

**8** If yes to question # 7 please provide:

Name:  
Phone number (optional):  
e-mail address (optional):

9 Comments / Additions:

Not authorized to backhaul anything other than our own product to our own warehouse. If there is enough interest from other WNC companies, we could consider pursuing the necessary authority – please keep us posted. We would also be interested in arranging freight with other WNC companies that could deliver items (including refrigerated items) to our warehouse in Black Mountain.

We are very interested in sharing freight cost when we can. Our main lane is Green Bay, WI to Asheville, NC - 1-3 loads per week. We are also looking into shipping out of the Wilmington, NC port and what it advantages it has for the North.
