BAYADA HOME HEALTH

www.bayada.com

8286815100

BAYADA was founded on the principle that health care gets better when clients get better care at home—the place they most want to be. From the nurse, therapist, or aide in the home, to thousands of committed employees supporting their work, delivering that care is our highest priority and greatest joy. BAYADA Personal Care and Companionship

The pride our caregivers bring to their work is evident in the quality of care they deliver to our clients. Helping others achieve independence, stay safe, and enjoy a better quality of life at home is a calling that comes from within. It's just who we are, and serving others is our highest priority and greatest joy.

The best-matched caregivers make all the difference

Relationships. That's what makes our one-on-one care so special for clients and so rewarding for caregivers. At BAYADA, we take the time to learn about you, your interests, habits, preferences, and more to determine which caregiver not only has the skills and experience to meet your needs, but who would be a great fit personally. For many clients, their caregivers become like family, and that makes all the difference.

How we can help

If it's become more challenging to manage daily personal activities or housekeeping tasks, our trained and experienced home health aides can assist you. Or perhaps you need help with getting to the store or to doctors' appointments. Or maybe your parents have dementia and need a companion to keep them living safely at home. BAYADA is here for you.

Bathing, grooming, using the toilet, and dressing

Meal planning and preparation

Light housekeeping, laundry, and running errands

Medication reminders and picking up prescriptions

Escorts to appointments or meetings, help with activities or hobbies, and general companionship

Care is available up to 24 hours a day, 7 days a week, including the option for live-in help. We will work closely with you and your family to determine the best care schedule to meet your needs.

2019 WNC Career Expo - Employers

A dedicated support team

Your BAYADA in-home caregivers are part of a larger team of dedicated care professionals who all play an important role in delivering the best client experience possible. Your RN clinical manager oversees and manages your care plan and caregiving team and also communicates with your doctor as needed. Your client services manager helps coordinate your care schedule and serves as a primary contact for any questions you may have.

Our employees have the opportunity to make an incredible difference in the lives of young people! Individuals who are mission driven and share our values will be a strong match for Eliada.

Eliada operates several residential mental health treatment facilities that teach children ages 12-17 anger management skills, coping skills, and social skills to help them become functional members of society. This is a challenging field where staff are responsible for providing direct supervision, setting and maintaining firm expectations, performing behavioral intervention, and utilizing de-escalation techniques on a daily basis.

Eliada provides a caring environment where children meet developmental milestones and acquire a love of learning that lasts a lifetime. Eliada offers preschool, pre-kindergarten, after school, and summer camp services to children in our community.

Eliada works with children of all ages in the Foster Care system to provide consistent and loving homes. Eliada is proud to offer Therapeutic Foster Care services for children who have experienced intense trauma and are in need of therapy in addition to a safe, nurturing home; family foster care services with the goal of finding each child a “forever family”; and adoption services completed within our agency to make the process a smooth transition for the child and family.

Eliada has a variety of support positions that have an impact on the children we serve without being direct care. These positions include anything from administration to food service and maintenance. Each position has an indirect impact on each child's success while at Eliada. These positions are often part of a small team of dedicated employees that strive to do what they can to achieve the organizational mission of Helping Children Succeed.

Mountain Area Careers

www.mountainareacareers.org

828-768-3216

Mountain Area Careers is a partnership of employers, educators (K12, community colleges, and four-year universities) and workforce partners in our region.

Employers, educators and workforce partners have developed career pathways in the Advanced Manufacturing and Hospitality & Tourism sectors which have been certified by the NCWorks Commission as "NCWorks Certified Career Pathways." The purpose of career pathways is to assist employers in meeting their workforce needs along with helping job seekers find the best career opportunity for them. This project is funded through the Workforce Innovation and Opportunity Act

(WIOA) through the United States Department of Labor and the North Carolina Department of Commerce and is intended to reach Dislocated Workers with career outreach.

The Mountain Area Workforce Development Board (MAWDB) is created through the federal legislation, the Workforce Innovation and Opportunity Act (WIOA), and the Board serves Buncombe, Henderson, Madison and Transylvania counties. Over 50% of the Board's membership is comprised of representatives from private industry. The remaining members represent Economic Development Agencies, Education, Community Based Organizations, Organized Labor and Local Government. The Board's budget exceeds \$2 million annually and we allocate those funds for skill training in the four-county area. All services provided through the NC Works Career Centers are free of charge unless otherwise noted.
